TO THE PUBLIC.

The attention of our readers is invited to the very liberal offer made by us, in another column, to furnish any of the articles specified therein, together with six months' subscription to the DAILY HONOLULU PRESS, at club rates, which are much less than if the publications, or articles, were ordered separately.

We desire to introduce our paper into every English-speaking family in this Kingdom, feeling assured that it will be permanently retained after its merits, as a live, wide-awake journal, are once known.

As an advertising medium the DAILY HONOLULU PRESS possesses unequalled advantages, having retained all the subscribers to the late Saturday Press in addition to a new subscription list which is daily increasing, so that the paper is not only enjoying a large circulation in this city and vicinity, but is, also, mailed by every steamer to subscribers at almost every landing on the other Islands and also to foreign countries, thus combining the advantages of both daily and weekly editions. The coming month, especially, our paper will have a much larger circulation than all the other daily papers combined, as we intend sending specimen copies to every resident on these Islands who reads English.

We, therefore, ask your co-operation in our enterprise and trust you will avail yourself of this offer. Very respectfully yours, etc.,
PUBLISHERS OF DAILY HONOLULU PRESS.
